This SUMMER, our themed day camp for Rising Kindergarteners through 4th grade (Explorers) will last for 11 weeks! Each week campers are invited to participate in modules like **Science Mania, Fit Kids, Outdoor Ed, and Arts & Craftivities**, focused around a weekly theme.

Campers are able to **swim daily!**
Our day camp is an 11-week program and campers can attend anywhere from 1-11 weeks of camp.

Summer Camp Theme Descriptions

Week 1: Moana Magic-June 19th-23rd

Let's sail over to the islands of Polynesia! We'll have an adventure-filled week by going on quests to find a magical gem and explore the culture and traditions of islands like Samoa, Tonga, Hawaii, New Zealand, Easter Island, and more!

Week 2: Creative Coding & The Tinker Lab-June 26th-30th

We're looking for inventors, imagineers, creators, and crafters! This week our camp will provide you with the materials you need to develop new ideas and create projects that could change the world! We'll end the week with an Imagineer's Showcase!

Week 3: Beyond the Board Games-July 5th-7th (No Camp 7/3 & 7/4)

Ever wanted to invent your own board game? This week we will play TONS of games as well as create our own! We'll end the week with a Life-Size Board Game Competition!

Week 4: Magic Treehouse Adventure Club-July 10th-14th

This week our campers will explore the magical treehouse with Jack and Annie! We'll venture out to the land of dinosaurs, fly through the air on a twister, defeat the dragon, or create magical tricks! We'll end the week with a quest from the Merlin the Magician!

Week 5: Guardians of the Superhero World-July 17th-21st

Power up! It's time for our camp to protect the galaxy and develop our superhero skills! We'll create our own characters, pick our shields, and go on adventures to defeat the enemies of the galaxy!

Summer Camp Theme Descriptions

Week 6: The Sorcerer's Stone-July 24th-28th

Grab your wands and we'll join Harry Potter and friends at Hogwarts for the week! We'll create potions, find out which wand is your best match, train magical creatures, and find out our patronus! We'll end the week with a Horcrux Scavenger Hunt!

Week 7: Nature Adventures-July 31st-August 4th

Grab your binoculars and let's explore the outdoor world around us! We'll go on mini-hikes and build a toolkit (compass, flashlight, rain cover, etc.) to survive out in the wild!

Week 8: SINGapalooza-August 7th-11th

Calling all singers, actors, comedians, artists, and performers! It's time for us to bring on the FUN of creating art, songs, jokes, and more! We'll end the week with our 2nd Annual Talent Show!

Week 9: Out of this World!-August 14th-18th

Let's head to space and explore the galaxies and planets all around Earth! We'll learn more about the astronauts, space stations, and satellites that give us some amazing views of Earth.

Week 10: Animal-Mania!-August 21st-25th

This week at LHP will be spent exploring the animals of five different places; the ocean, the forest, the grasslands, the rain forest, and the desert!

Week 11: End of Summer Explosion!-August 28th-September 1st

During our last week at LHP we will celebrate by going out with a bang! Join us as we spend time celebrating the end of summer! We will end the week with our favorite Mentos explosions!

The image shows the exterior of a restaurant named "GATOR GRILL" at night. The building has a textured, light-colored facade. The name "GATOR GRILL" is displayed in large, illuminated, white letters above the entrance. A dark window is visible above the entrance. The scene is lit by the restaurant's lights, creating a warm glow against the dark night sky.

CIT (Counselor in Training) Program

Leadership Opportunity for 7th-9th graders

CITs at Barody Camps will get the opportunity to be educated and trained to work with young children as a camp counselor.

VISIT www.barodycamps.com to REGISTER!

Fees: 7th-9th Graders--\$100 (*\$60 for Week of 7/3), 10th Graders-No Fee

Our program has been designed to provide 7th-9th graders an opportunity to grow their skills in an environment that promotes leadership, engagement, and professionalism. CITs will learn by observing other experienced staff members & assisting our module & team leaders. This program is a great way to develop & strengthen their skills, but also to prepare them for a future in the workforce.

We hope to see you this summer!
